

Gisella Sorrentino

Italien/USA/Italy/USA

Geboren 1978 in Genoa. Lebt als Fotografin in New York. Sie hat seit ihrer Kindheit Tanz studiert, daher war es nur natürlich, Bewegung auch dafür zu verwenden, um sich fotografisch auszudrücken. In der Serie "Self Portraits & Bodies in Space" wird die Bewegung des Körpers in Zeit und Raum zu einem Instrument, um ihre Gefühle und ihre Beziehung zur Außenwelt zum Ausdruck zu bringen. Gisella hatte ihre ersten Einzelausstellungen 2004 im Eingangssaal des Teatro Sistina und in der Ta Matete Galerie, Rom. Sie hat ihre Arbeiten außerdem in vielen Gruppenausstellungen gezeigt, u.a.: "Her Humanity", Casa Frela Gallery, NYC, 2007; "Blow Up", Bromfield Gallery, Boston, 2008; Instant Book Event: "Italian Artist in New York", ISCP, Brooklyn, 2009; Storefront Artist Project, Pittsfield, MA; La Mama La Galleria, NYC, 2010. Ihre Arbeiten sind auch zum Gelato!Art Salon in Brooklyn und in Rom ausgestellt worden. www.gisellasorrentino.com

Born 1978 in Genoa. Now photographer based in New York. Having studied dance since she was a child, so it was very natural for her to apply the physical experience of the movement as a language to express her self photographically. In the series "Self Portraits & Bodies in Space" the motion of the body in time and space became an instrument to express her feelings and the relation with the outside world. Gisella exhibited her first solo show in the main hallway of the theatre Teatro Sistina as well as at the Ta Matete Gallery, Rome, 2004. She has also exhibited her works in many group exhibitions such as: "Her Humanity", Casa Frela Gallery, NYC, 2007; "Blow Up", Bromfield Gallery, Boston, 2008; Instant Book Event: "Italian Artist in New York", ISCP, Brooklyn, 2009; Storefront Artist Project, Pittsfield, MA; La Mama La Galleria, NYC, 2010.
